*Hillside Food Outreach is the only not-for-profit organization in Westchester and Putnam County that home-delivers groceries to more than 1700 needy neighbors on a monthly basis—regardless of age, race, religious belief or disability. With a food warehouse based in Thornwood, New York, the outreach is comprised of four staff members and over 350 dedicated volunteers who pack and deliver the food. There is a growing demand for our services and your support can help Hillside to expand its programs to meet the needs of the hungry in our community.*
